

**2020 International Conference  
on  
Computer Science, Engineering and Applications  
(ICCSEA 2020)**

**IEEE Conference Record #49143**

(March 13 – 14, 2020)

**Organized by  
Department of Computer Science & Engineering  
GIET University, Gunupur-765022, India**

**IEEE**  
KOLKATA SECTION

**Special Session Title: Computer Vision, Image and Video Processing**

**Organized by (Names, Affiliation, and Contact information):**

**Dr. Moe Moe Myint**

(Lecturer, CEIT Department)

Mandalay Technological University, Myanmar

**Call for Papers:**

The aim of this special session provides a research platform to researchers, academicians and scientists to share their innovation or creation in the domain of computer vision, image and video processing. This session addresses various robust methodologies, recent advances in theory and applications in that area and also has great opportunities to present and study the new results with international researchers.

**Topics of interest include, but are not limited to:**

- Image and Video Processing in Surveillance and Computational Intelligence
- Medical, Geophysics and Astronomical Imaging
- Image Analysis, Filtering, Denoising, Enhancement, Restoration, Segmentation, Detection, etc.
- Volumetric Imaging
- Image and Video based Gesture Analysis
- Biometrics
- Motion Estimation and Tracking
- Robotic Vision Systems
- Recognition and Classification System
- Shape and Texture Analysis
- Image and Video Mining
- Gaming Application
- Security and Forensics Applications

**Brief bio of SS Organizers**

Dr Moe Moe Myint is currently working as lecturer in the Department of Computer Engineering and Information Technology, Mandalay Technological University in Myanmar. She obtained her Ph.D degree from Yangon Technological University, Myanmar in the field of Digital Image Processing. Her research expertise spans from Biomedical Imaging, 3D Reconstruction, Engineering Education Research and Digital Image Watermarking. She has published many publications in International Journals and Conference Proceedings. She is doing collaboration research with IIT Delhi, India supported by ASEAN India Research and Training Fellowship (AIRTF).

**Potential Reviewers (Names, Affiliation and Emails)**

- ✓ Dr. Khaing Thanda Swe (Lecturer, CEIT Department, MTU, Myanmar, [khaingthandasweutycc@gmail.com](mailto:khaingthandasweutycc@gmail.com))
- ✓ Dr. Zin May Zaw (Lecturer, CEIT Department, MTU, Myanmar, [zinmay83@gmail.com](mailto:zinmay83@gmail.com))
- ✓ Dr. Thanda Aung (Lecturer, CEIT Department, MTU, Myanmar, [thandaung@mtu.edu.mm](mailto:thandaung@mtu.edu.mm))
